

Judge Reinman,

Dear Mrs. Reinman,

My name is Brandon Bradley case # 05/2012/CF/035337/XXXX/XX I would like to dismiss my public defender Randy Moore due to the lack of effort he has put in my case. I've asked him several times to pay for his fees and motions for me to get the transcripts on my indigement, and to get a much of the Discovery from the State that he can. I feel like he might have too many other cases to deal with and for him to take as much time out on my case from his other cases is too much. Everytime I have important information to offer him he sits there and doesn't take it into consideration or doesn't write it down and I feel a little disrespected, because im literally fighting for my life. I would appreciate someone who's going to take the time to really go through all the facts of the case no matter how long it takes. Being professional is a concern for me because if not a lawyer would want to be a public defender to my fathers potential, so I have to see that you're professional for me to trust you. Thank you

Sincerely, Brandon
