

## **PROPOSED LEGISLATION THREATENS TO DESTROY JUDICIAL CHECKS AND BALANCES**

Legislation has recently been filed that proposes to transfer the statutory duties of the elected clerks to Florida's judges. [House Bill 1121](#) and [Senate Bill 2108](#), if passed, would remove the clerks from their independent role as custodian of court records and collector of court funds. The passage of these Bills would destroy the constitutional 'checks and balances' within the judicial system intended to protect the public. For more information on this important issue, please explore the resources below.
