D.1. Establishing User Fees for FY 2024-2025 for the Melbourne-Tillman Water Control District

Chair Steele called for a public hearing establishing user fees for Fiscal Year 2024-2025 for the Melbourne-Tillman Water Control District.

Joe Hale, Melbourne-Tillman Water Control District Board of Directors Vice President, expressed his thanks to the Board for all it has done for the district; he stated the district is looking forward to the approval of user fees; it runs a lean and efficient operation; and it is important to have these increases.

Commissioner Tobia pointed out all levels are flat.

Mr. Hale stated he is hopeful for an increase every year; but it does not happen.

There being no further comments or objections, the Board conducted the public hearing and approved establishing the user fees for the Melbourne-Tillman Water Control District for FY 2024-2025 as follows:

- (1) Residential remains at \$25.00 per lot, acre or portion thereof
- (2) Agriculture remains at \$8.50 per lot, acre or portion thereof

and authorized the Chair to sign the resolution at the second public hearing scheduled for August 27, 2024.
