

IN THE CIRCUIT COURT OF THE  
EIGHTEENTH JUDICIAL CIRCUIT,  
OF FLORIDA.

**ADMINISTRATIVE ORDER NO:**  
**23-18**  
**SUPERSEDES 17-29-B and 17-30-S**

**IN RE: CRIMINAL - ALTERNATIVE SANCTIONS PROGRAM**

---

**WHEREAS**, there is a substantial number of technical violations that do not involve a new arrest or other serious violations; and,

**WHEREAS**, arresting and incarcerating certain non-violent offenders for minor violations of probation or community control is both expensive and nonproductive; and,

**WHEREAS**, there is research to support that recidivism may be reduced by utilizing collaborative efforts among the courts, probation and law enforcement to hold the offender accountable and apply swift and certain sanctions for technical violations of probation or community control; and

**WHEREAS**, an administrative option for processing technical violations will have the potential to offer benefits including:

- Reducing the court docket of probation and community control violation hearings;
- Reducing the workload of prosecutors and defense attorneys involved with many technical violation hearings;
- Reducing law enforcement resources required to serve violation warrants for certain technical violations;
- Reducing jail population for offenders pending violation hearings; and
- Offering the offender an alternative to a violation hearing in court, which will allow the offender to remain engaged in employment, school, treatment, etc. and allow the offender to take immediate responsibility for his/her actions and consequences of those actions

**WHEREAS**, the Florida Legislature recognizes the value of an alternative sanctioning program for technical violations of probation and community control and has authorized trial court chief judges, in consultation with the state attorney, public defender, and the Department of Corrections to establish a local alternative sanctioning program. Ch. 2016-100, § 1, Laws of Fla.

**WHEREAS**, pursuant to the Chief Judge's constitutional and statutory responsibility for administrative supervision of the courts within the circuit and considering available resources to create and maintain an organization capable of effecting the efficient, prompt, and proper administration of

justice for the citizens of this State, the Chief Judge is required to provide direction, *see*, Fla. R. Jud. Admin. 2.215(b)(2), (b)(3); and in accordance with the authority vested in the Chief Judge by Article V, section 2(d) of the Florida Constitution, sections 43.26 and 948.06(1)(h), *Florida Statutes*, it is hereby

**ORDERED and ADJUDGED:**

1. **ALTERNATIVE SANCTIONS PROGRAM:** There is created in Brevard and Seminole County a program that shall be known as the Alternative Sanctioning Program in accordance with s. 948.06(1)(h), F.S. The Alternative Sanctioning Program provides the court and the Florida Department of Corrections (FDOC) an alternative, administrative method of reporting and resolving certain technical violations in lieu of submitting violation of probation affidavits and warrants to the court.
  
2. **ELIGIBILITY:**  
 To be eligible for the program, offenders must have been placed on probation or community control under the supervision of the Department of Corrections by a judge in Brevard or Seminole County, have stable community ties, and have a stable residence in Brevard or Seminole County, Florida. Offenders who are eligible for the program include probation offenders, drug offenders, and community control supervision offenders. The program only applies to offenders who have committed certain technical violations addressed in the Alternative Sanctioning Program Violation/Sanction Matrix included in section (3) of this order. The threat an offender poses to public safety is the most important factor in determining eligibility. Offenders with a lengthy, defined as three separate felony convictions that could have multiple offenses under the same case number, or violent criminal history and sex offenders, are not eligible to be in the program. Additionally, offenders who have new law violations, are absconders, or have violated a “no contact” condition of supervision are not eligible for the program. No offender who has three or more previous violations is eligible for the program.
  
3. **QUALIFYING TECHNICAL VIOLATIONS AND APPROVED SANCTIONS:**  
 The following matrix lists the specific technical violations that may be addressed through the Alternative Sanctions Program process for offenders who were sentenced in Brevard or Seminole County, Florida. Each technical violation includes a list of sanctions determined and approved by the court for the probation officer to select from when reporting these technical violations, based on the individual offender’s circumstances at the time of the violation.

**ALTERNATIVE SANCTIONS PROGRAM VIOLATION/SANCTION MATRIX**

VIOLATION	APPROVED LIST OF SANCTIONS
Condition (1): Reported late; failed to report as instructed	<ol style="list-style-type: none"> <li>1. Increase level of treatment up to and including residential treatment if deemed necessary.</li> </ol>

4. **ALTERNATIVE SANCTIONS PROGRAM PROCESS:**

- A. The probation or community control officer may, after review and if deemed appropriate, inform offenders who have committed violations enumerated in section 3 of this administrative order that they may participate in the Alternative Sanctioning Program for administrative disposition of the violation. No offender

is required to participate in the Alternative Sanctioning Program and may instead opt for a formal violation of probation or community control proceeding in Circuit Court. The offender's participation in the Alternative Sanctioning Program is voluntary. The offender may elect to waive or discontinue participation in the Alternative Sanctioning Program at any time before the issuance of a court order imposing the recommended sanction. If the offender elects to discontinue participation in the Alternative Sanctioning Program, the offender's prior admission to the technical violation may not be used as evidence in subsequent proceedings

- B. If the offender admits the violation, agrees to accept the administrative sanction(s) recommended by the probation officer, and agrees to waive his/her formal violation hearing to modify his/her sentence, the probation officer will prepare an "Alternative Sanctions Program Technical Violation Notification and Acceptance of Sanctions" (DC3-2027) form, which will provide details of the circumstances of the technical violation that occurred and the probation officer's recommended sanction, based on the sanctions listed in the approved matrix. By an offender agreeing to participate in the Alternative Sanctioning Program, s/he agrees to waive the right to: 1. Be represented by legal counsel, 2. Require the state to prove their guilt before a neutral and detached hearing body, 3. Subpoena witnesses and present evidence to a judge in his/her defense. 4. Confront and cross-examine witnesses, and 5. Receive a written statement from a fact finder as to the evidence relied upon and the reasons for the sanctions imposed. If the offender agrees to participate in the Alternative Sanctions Program, he/she will sign the second section of this form titled "Alternative Sanctions Program Waiver of Formal VOP/VOCC Hearing, Admission of Violation, and Acceptance of Sanctions", (form DC3-2027) which will be submitted to the Court once the probation officer signs and dates the form.
- C. The judge shall review the "Alternative Sanctions Program Technical Violation Notification and Offender's Waiver of Formal VOP/VOCC Hearing, Admission of Violation and Acceptance of Sanctions" (DC3-2027) form submitted and, if the judge agrees that the technical violation should be addressed via the Alternative Sanctions Program and agrees with the recommended sanction, the judge will sign the "Order - Alternative Sanctions Program". If the judge does not agree with the particular sanction recommended by the officer or does not agree that the technical violation should be addressed via the Alternative Sanctions Program, the judge shall reflect further instructions on the order.
- D. Upon court approval the probation officer will instruct the offender on the sanction imposed by the court and instruct the offender to take actions necessary to ensure the sanction is executed immediately. Failure to complete the imposed sanction as instructed will result in a violation report, affidavit and warrant being submitted to the court.

5. **ADMINISTRATION:** The Alternative Sanctions Program shall be effective immediately and administered by the 18<sup>th</sup> Judicial Circuit Court and the Florida Department of Corrections.

**DONE and ORDERED** this 7th day of March 2023.
