HISTORIC BREVARD

The meteoric growth of the population during the 1950's as a result of the burgeoning space program caused an acute housing shortage that saw many newcomers, even space workers, finding shelter wherever they could. In 1959 construction began on a 999 home Capehart Project that exceeded the total civilian construction in the County that year by nearly \$5,000,000.

HISTORICAL FACTS PROVIDED BY THE BREVARD COUNTY HISTORICAL COMMISSION

In accordance with the Americans with Disabilities Act and Section 286.26, Florida Statutes, persons needing special accommodations or an interpreter to participate in the proceedings, please notify the County Manager's Office no later than 48 hours prior to the meeting at (321) 633-2010.
